

# Turmeric Extract

- Research shows that our turmeric dual extract doesn't interfere with the CYP3A4 enzyme activity.

Dual extracted turmeric found in Turmeric + and our Turmeric powder as well as other formulas.

The dual extracted turmeric peaks at 300% higher concentration & is drawn into the tissue before it can be filtered out.

While the 95% isolated curcumin is languishing in the bloodstream for a full two hours, never quite getting absorbed.

- Greater bio-availability (> 300% compared to 95% curcumin preparations)\*
- Faster absorption (> 200% faster compared to 95% curcumin preparations)\*
- Better retention (10 times more than 95% curcumin preparations)\*
